

# HHW COLLECTION REGISTRATION FORM

In order to serve you better, we have included a registration form below for your use. **PLEASE BE PREPARED TO PROVIDE PROOF OF RESIDENCY AT THE COLLECTION** (i.e. driver's license, tax bill, utility bill, etc.).

**Instructions:**

1. Please complete the form BEFORE you arrive at the collection of your choice.
2. Bring the completed registration form to a collection with your waste.
3. Give the completed registration form to one of on-site HHW staff as directed.

Completing this form before you arrive at the collection will stream-line the collection process. Our goal is to keep the line moving and to minimize your waiting time.

We appreciate your participation in the MDC's HHW Program and for keeping our collections running as smoothly as possible.
